When using 'smart attendance(authentication number)', enter the authentication number announced by professor on PC Web / Learning-X application or tablet

H Enter 'Offline Attendance authentication number' on HY-ONLMS

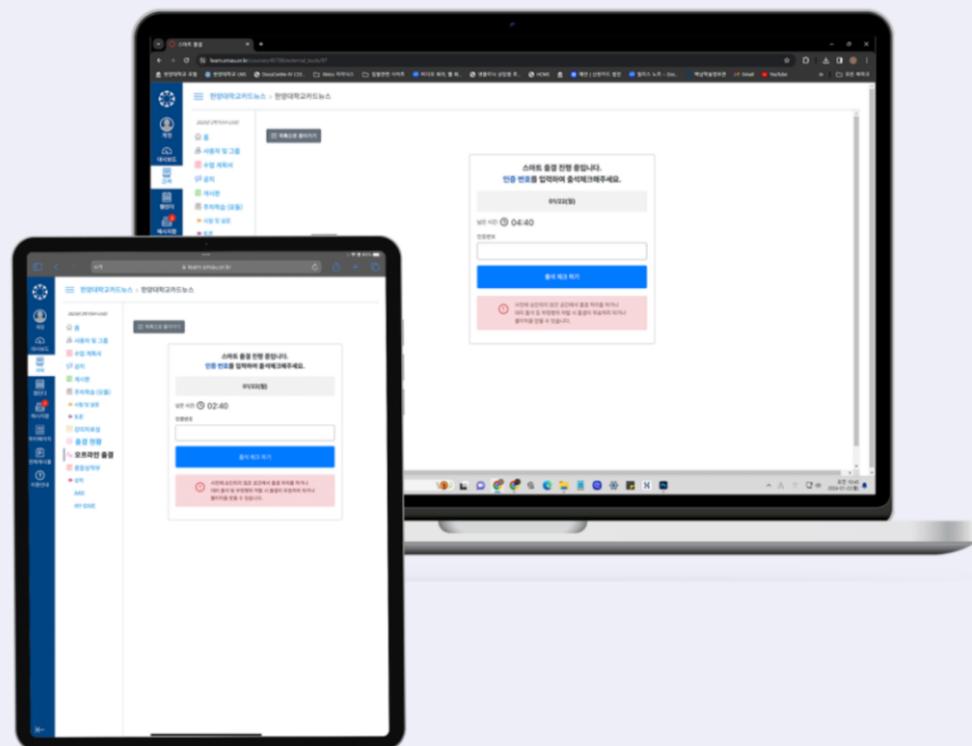

STEP1 Entering Attendance

When 'Smart Attendance' starts, enter authentication number by your device

Mobile Application
(Learning X Studnet)

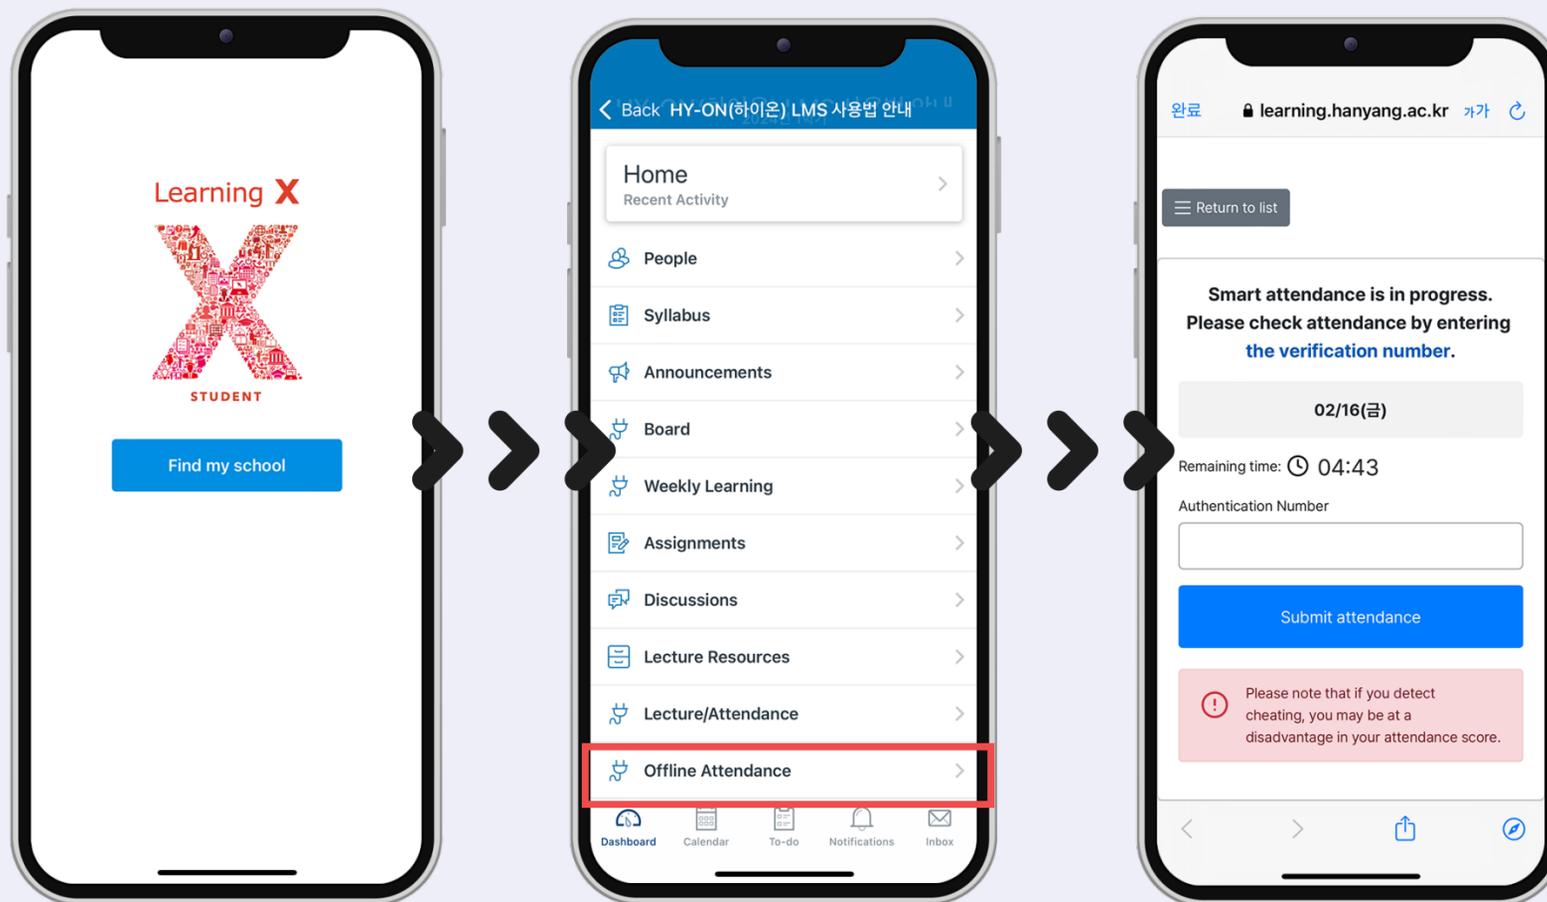

WEB(PC/Mobile/Tablet PC)

Offline Attendance

H Enter 'Offline Attendance authentication number' on HY-ONLMS

① Mobile Application (Learning X Student)

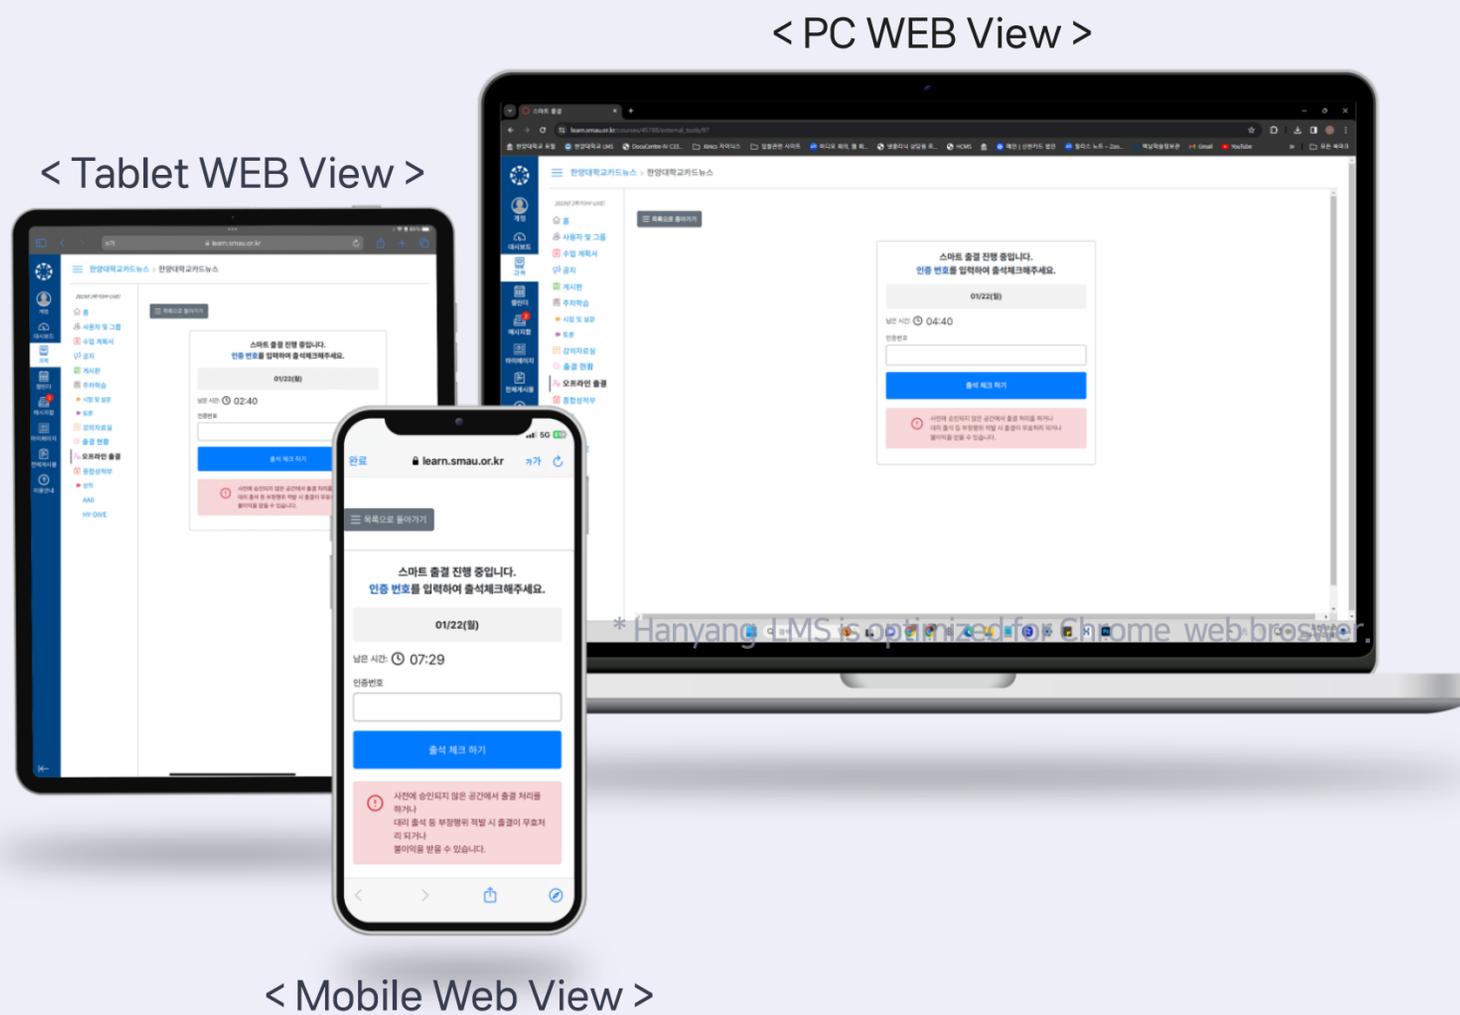

* When professor uses Smart Attendance, you can get Learning X push alarm and message in case you already allowed function to send notification messages to learners.

Mobile Application 'Learning X Student' → Choose Course →
Click Offline Attendance Menu → Enter authentication number →
Confirm 'Attendance Check Completed'

Offline Attendance

H Enter 'Offline Attendance authentication number' on HY-ONLMS

② WEB(PC/Mobile/Tablet PC)

Do not worry if you don't have any APP! You can also use authentication number on 'Offline Attendance Menu' of PC/Mobile/Tablet WEB to enter authentication number.

Offline Attendance

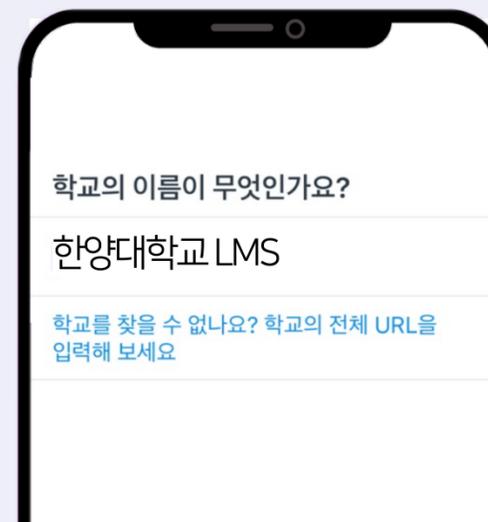

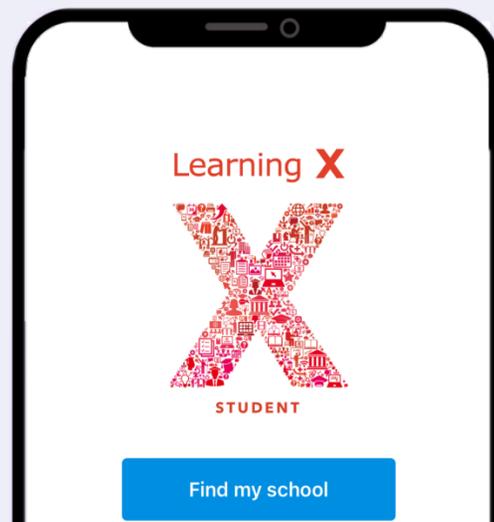

H Enter 'Offline Attendance authentication number' on HY-ONLMS

[Note] Install Mobile Application 'Learning X Student'.

STEP1 Finding my school

STEP2 Searching "한양대학교 LMS"

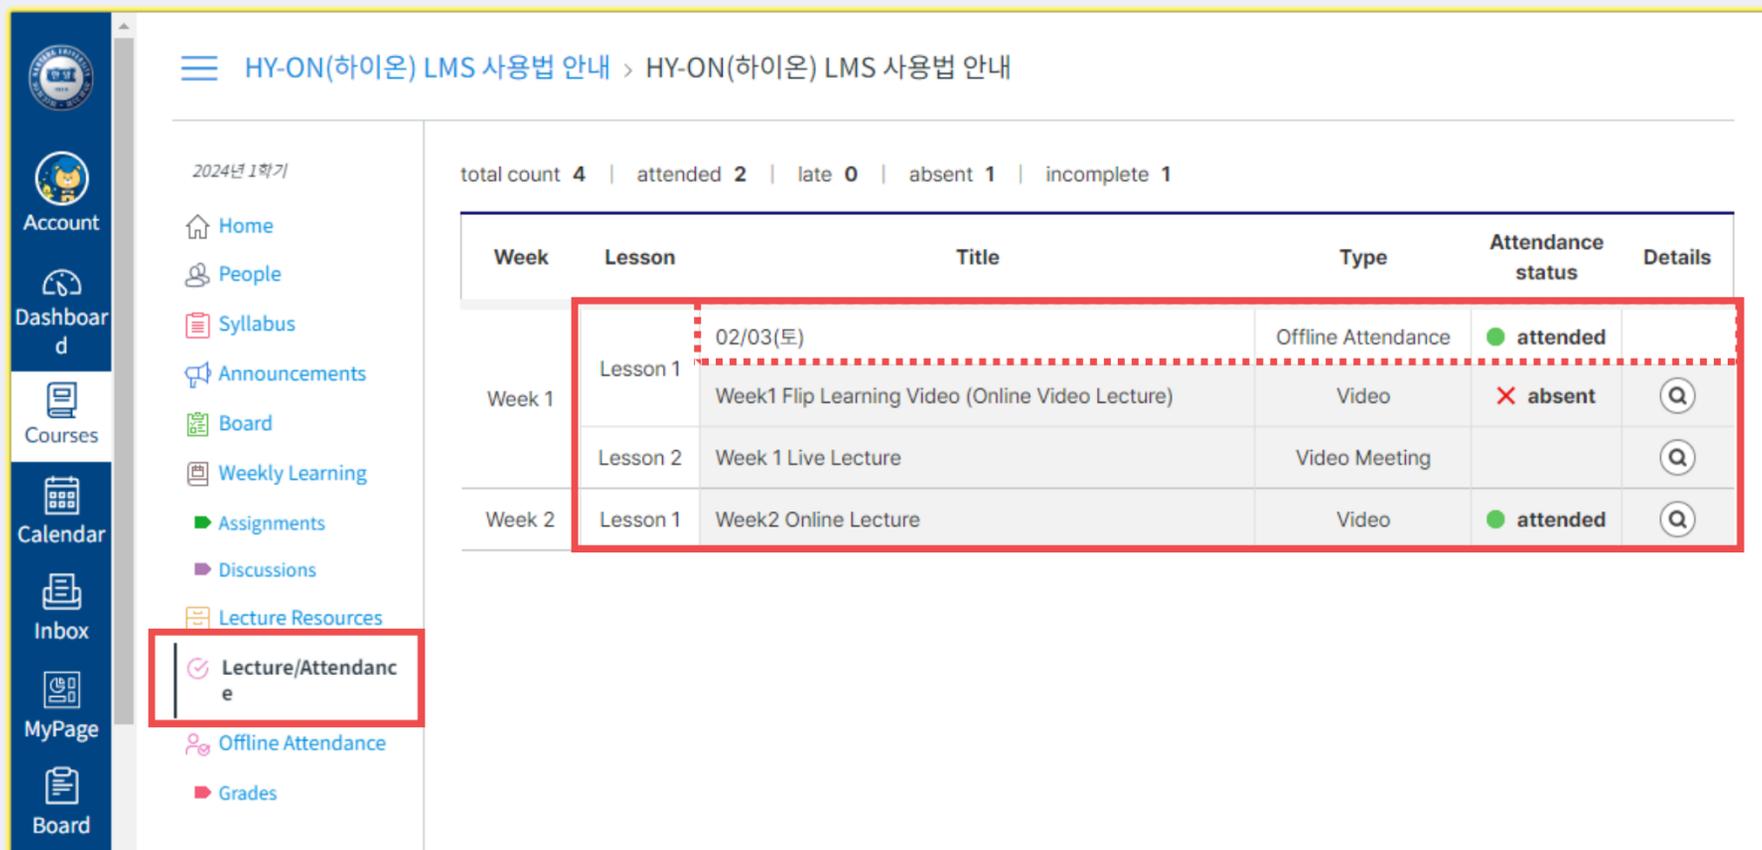

Downloading Application → Find my school → Searching Hanyang University LMS → Enter ID/PW of Hanyang Portal and access the Course

Offline Attendance

H Enter 'Offline Attendance authentication number' on HY-ONLMS

STEP2 Checking the attendance

[Lecture/Attendance] Check your attendance on the menu

The screenshot displays the HY-ON LMS interface. On the left is a navigation menu with items like Account, Dashboard, Courses, Calendar, Inbox, MyPage, and Board. The main content area shows the 'Lecture/Attendance' menu item highlighted in red. Below it, a table displays attendance records for various lessons. The table has columns for Week, Lesson, Title, Type, Attendance status, and Details. A red dashed box highlights the first row of the table, which shows 'Lesson 1' for 'Week 1' with a date of '02/03(토)', 'Offline Attendance' type, and 'attended' status. Other rows show 'absent' and 'attended' statuses for different lessons.

Week	Lesson	Title	Type	Attendance status	Details
Week 1	Lesson 1	02/03(토)	Offline Attendance	● attended	
Week 1	Lesson 1	Week1 Flip Learning Video (Online Video Lecture)	Video	✗ absent	🔍
Week 1	Lesson 2	Week 1 Live Lecture	Video Meeting		🔍
Week 2	Lesson 1	Week2 Online Lecture	Video	● attended	🔍

After the authentication, attendance is newly updated and you can check both 'Offline Attendance' and attendance for each week or session

Weekly Learning

H

Learning for each week is available on 'Weekly Learning' menu

Click and learn the contents for each week which are uploaded on 'Weekly Learning' menu

The screenshot shows a learning management system interface. On the left is a navigation menu with items: Home, People, Syllabus, Announcements, Board, **Weekly Learning** (highlighted with a red box), Assignments, Discussions, Lecture Resources, Lecture/Attendance, Offline Attendance, and Grades. The main content area shows a calendar for '2024년 1학기' with days 01 through 16. A 'Collapse all' button is visible. Below the calendar, a section titled '1주차' (Week 1) contains a list of learning activities:

Activity Name	Start Date	End Date	Duration	Points	Status
Week1 Flip Learning Video (Online Video Lecture)	March 4 at 00:00 AM	March 10 at 11:59 PM	01:15		Upcoming
Week1 Flip Learning Video (Online Video Lecture)	March 4 at 00:00 AM	March 10 at 11:59 PM		100 Points	Upcoming
Week1 Live Lecture	March 3 at 11:00 AM		2hour		Upcoming

Past contents on 'Lecture Contents' menu have been moved to 'Weekly Learning' menu and you can click and study those contents such as 'Video Lecture', 'Live Lecture', 'Assignments' and 'Discussions' for each week.

Announcements & Board

H There are various types of 'Board' other than 'Announcements'

Check the notices from professor on 'Announcements' menu.

The screenshot displays the HY-ON LMS interface. On the left, a navigation menu lists various options: Home, People, Syllabus, Announcements (highlighted with a red box), Board, Weekly Learning, Assignments, Discussions, Lecture Resources, Lecture/Attendance, Offline Attendance, and Grades. The main content area shows a list of announcements under the heading '1주차 오리엔테이션 안내'. The first announcement, posted on Feb 15, 2024 at 4:41pm, has a white square icon. The second announcement, posted on Feb 3, 2024 at 7:27pm, has a blue circle icon. A red box highlights the vertical bar on the left side of the announcement list, which contains the white square icon for the first post and the blue circle icon for the second post.

You can check the notices from professor on 'Announcements' menu and '●' icon disappears when you check the post.

H There are various types of 'Board' other than 'Announcements'

There are various types of boards depending on the content set by the professor.
