

**Pre-Graduation Requirement
Check for August 2026
Graduation (For Students)**

Students in their final semester must verify their eligibility for graduation themselves.

What is the "Pre-Graduation Requirement Check"?

- This is a process in which graduating students verify their graduation requirements and check the "Graduation Review Guidelines" in the system before the final course registration is completed, ensuring that any unmet graduation conditions are addressed.
- Typically conducted between the start of the final semester and the course add/drop period.

Graduation Review Inquiry: Primary Major

Course Registration Login > Graduation Requirements > Primary Major (First Major) Example

신청내역

아래 신청내역에는 사회봉사과목은 포함되어

수강취소	이수구분	영역	수업번호
수강취소	타전공 (일반)선택	02 미인도	22856
수강취소	타전공 (일반)선택	02 미인도	22861

For second majors, course enrollment records may not be displayed, so please check your course history in the "Enrollment History(신청내역)" section by clicking on the course code to verify the course classification.

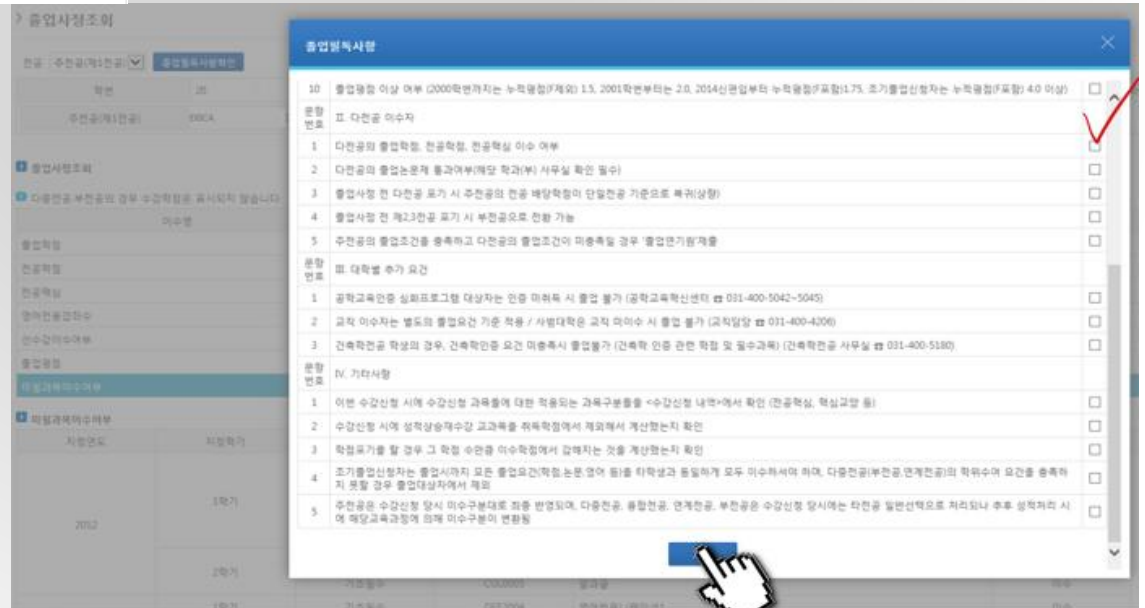

Graduation Review Guidelines Confirmation

Course Registration Login > Graduation Review Inquiry > Graduation Review Guidelines – Check/Save

- ① Click the "Graduation Review Guidelines Confirmation(졸업필독사항)" button.
- ② A pop-up window with the "Graduation Review Guidelines" will appear.
- ③ Review each item carefully and check the box on the right.
- ④ After checking all boxes, click the "Save" button.
- ⑤ Failure to complete this process may result in disadvantages, such as being unable to graduate due to unfulfilled requirements.

Graduation Review Inquiry(Reference)

Students completing a minor or multiple/interdisciplinary major must meet the graduation requirements for both their primary major and all additional majors to be eligible for regular graduation.

Graduation is possible only when all graduation requirements for respective major, including multiple/interdisciplinary majors and minors, are fulfilled.

Graduation Review Inquiry(Reference)

Based on the completed and remaining items in the graduation review inquiry, students are classified as eligible / **not eligible for regular graduation.**

When the required enrollment period is met—two years for Pre-Medicine, five years for Architecture, and four years for others—the status changes to “Y.”

Areas	Assigned	Earned	Completed	Group	Remaining

If all completed items are marked as “Y” + remaining items display “0” = Eligible for regular graduation

(For the College of Music, students must additionally fulfill both graduation requirements and required courses specified in the college's graduation regulations to be eligible for regular graduation.)

If some completed items are marked “N” + remaining items display a number = Not eligible for regular graduation

→ Based on the unmet requirements, the student's status will be converted to either extended enrollment retaker or program completer status.
